A LASTING MEMORIAL

DEDICATED TO THE MEMORY OF LYNDA CRUMLEY

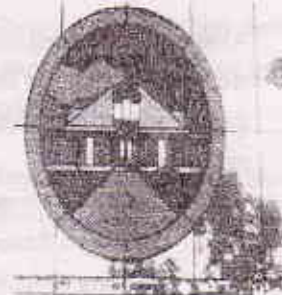

On Sunday August 6, 2006 at 2:00 p.m., family and friends gathered at the Smyrna Public Library to remember and honor Lynda Crumley, a loyal patron and avid book reader, for her generous donation to the Friends of Smyrna Library. Two stained glass windows of historic buildings in the city of Smyrna were dedicated to her memory. On hand for the dedication were her son David Crumley, his wife Katy, their 5 year-old son, David, all from Athens, Janet Deaver of Stone Mountain, a longtime friend; Lisa Whiteside, a former colleague; Library staff, Friends President Linda Evans, and Friends members. The new window in the children's library is of the Old Train Depot, while the one in the Reading section is of The Brawner House. These beautifully crafted windows by Jennifer Glassworks will act as a lasting tribute to Ms Crumley's loyalty and generosity. (more on page 4)
